Description

Environment - Windows 10 Google Chrome Version 102.0.5005.63Steps to reproduce:

1. Open <http://viv-d9.bulcode.com:8080/>
2. Log in to the account with the following credentials: bulcode_special / 123456
3. Hover your mouse over the Structure tab, at the top of the page
4. Hover your mouse over the Taxonomy
5. Find the section in the Bulgarian language

Expected result:

We have to see some indication of whether the Bulgarian sections are translated into English.

Actual result:

The sections in English are shown together with the Bulgarian ones and we cannot understand, whether the Bulgarian sections are translated into English.
