Description

Steps to reproduce:Open http://viv-d9.bulcode.com:8087/en or http://viv.bulcode.com:8080/en on your phone

2. Tap the hamburger menu in the left upper corner of the screen to see that it works in the English version.
3. Change the language to BG by clicking EN at the top of the screeen
4. Tap hamburger menu

Expected result:

The hamburger menu in Bulgarian should behave as in the English version.

Actual result:

The hamburger menu in the Bulgarian version doesn't work properly.
